

COVER LETTER - DATA ANALYST

Candidate: ATUL DEEPAK MORE | Target Company: Placementindia

Dear Hiring Team at Placementindia,

I am writing to express my enthusiastic interest in the Data Analyst position. I hold strong skills in Python, SQL, Pandas, NumPy, alongside practical hands-on project experience in data cleaning, visualization, and analytical insights generation.

Attached is my resume for your review. I look forward to discussing how my analytical skills can add value to Placementindia.

Best regards,
ATUL DEEPAK MORE
