

COVER LETTER - DATA ANALYST

Candidate: ATUL DEEPAK MORE | Target Company: Drive

Dear Hiring Manager,

I am excited to apply for the Data Analyst role at Drive. My academic background in Data Science and practical experience with SQL, Tableau, Power BI, and Python align closely with the responsibilities outlined in the job description. In my recent project, I performed comprehensive exploratory data analysis on the Google Merchandise Store dataset, developed predictive models, and created interactive dashboards that highlighted key business metrics.

I am confident that my technical proficiency, combined with my strong communication and teamwork abilities, will enable me to contribute effectively to Drive's data initiatives.

Thank you for your time and consideration.

Best regards,
ATUL DEEPAK MORE
