

COVER LETTER - DATA ANALYST

Candidate: ATUL DEEPAK MORE | Target Company: L&T Heavy Engineering Surat

Dear Hiring Manager, I am excited to apply for the Data Analyst role at L&T Heavy Engineering Surat. My academic background in Data Science and practical experience with Python, SQL, Excel, Tableau, and Power BI align closely with the data analysis responsibilities outlined in the job description. In my recent project analyzing the Google Merchandise Store, I leveraged SQL for data extraction, Python for data cleaning and modeling, and Tableau for interactive dashboards, delivering actionable insights that improved decision-making. I thrive in collaborative environments and am eager to bring my analytical expertise and strong communication skills to your team. Thank you for your time and consideration. I look forward to the opportunity to discuss how I can contribute to L&T Heavy Engineering. Sincerely, ATUL DEEPAK MORE
